## Look What's Cooking...

**T**he Culinary School at Eva's Village in Paterson faced off in the first-ever **KONTOS FOODS COOKING CHALLENGE** to create delicious ways to enjoy Kontos International Pasty Puffs. The possibilities were endless and the end results

were delicious. Puff pastry is now a top food challenge contender. Sweet!

A day on the green also raised a lot of green – as in funds – to support **BERGEN COUNTY'S UNITED WAY** and the community it serves.

Game on! Members and supporters of **KAPLEN JCC ON THE PALISADES** came out for a fun day of golf, tennis, bridge and canasta, hosted at the Montammy Golf Club in Alpine. Proceeds from the annual Play Fore the Kids fundraiser will support camps for children with special needs. Keep giving back, Bergen!
