

Virtual Recovery Walk Registration Android Set Up

- Download the Google Fit app. Follow all the prompts and make sure all permissions are on.
- Download the MoveSpring app When it asks for a code put: njpn
- Confirm the New Jersey Prevention Network challenge
- Link the Google Fit app with MoveSpring when prompted.
- “View Challenge” and scroll down to where it says, “Join Team” and join the “Eva’s Village Team.”

Make sure the apps are synced-take a few steps to make sure they are registering. And make sure you have all the permissions on from Google Fit.
