Eva's Village and the LoConte Family Charitable Foundation Continue Partnership to Impact Paterson Community

Eva's Village, a non-profit behavioral health and social services agency, and the LoConte Family Charitable Foundation reaffirmed their partnership to achieve a common goal – to improve the lives of the underserved in the Paterson community. Together, Eva's and the Foundation will develop opportunities that will enable individuals to break out of the cycles of hunger, homelessness and poverty to lead productive, financially secure lives.

"We are thrilled to continue our partnership with the LoConte Family Charitable Foundation to help our neighbors in need," said Howard Haughton, Eva's Village CEO. "The LoConte Foundation has been making a positive impact in Paterson over the last several years and we welcome their continued support of our mission to help those struggling with food insecurity, housing insecurity, substance use disorders and mental health issues."

The two organizations have been working together since 2019 to improve the lives of individual residents of Paterson, as well as the community as a whole.

"Eva's Village is a top notch non-profit doing great work in Paterson. They are really helping to turn lives around," said Anthony LoConte, Director and President, LoConte Family Charitable Foundation. "With our continued support, they will be able to help even more people in need in more ways than ever before."

About Eva's Village

Eva's Village is a thought leader in the implementation and best practices for services designed to ensure that Paterson community members experiencing food insecurity, housing insecurity, substance use disorders and mental health issues have the support, guidance and tools they need to lead healthy, stable, financially secure lives.

About the LoConte Family Charitable Foundation

The LoConte Family Charitable Foundation is devoted to improving the lives of the underserved through a variety of means, including but not limited to medical, psychological, educational, and vocational support. The Foundation has been involved in philanthropic giving since 2013 and hopes to continue the tradition for many future generations of the LoConte Family.
